AVARC Wednesday Evening Net Control Script

K6OX | Working revision: November 4, 2026 | For board/Net Control review

7:55 PM — Five-Minute Notice

The Antelope Valley Amateur Radio Club will be conducting its Wednesday evening net on this repeater in five minutes. Stations needing to use the repeater, please do so now. This is [YOUR CALLSIGN].

8:00 PM — Opening

QST, QST, QST. Calling all amateurs, calling all amateurs.

This is K6OX wishing you a good evening and welcoming you to the Antelope Valley Amateur Radio Club's Wednesday evening net. This is an open and informal net to share information of interest to amateur radio operators, and may include the latest Amateur Radio Newsline report.

Please direct all communications through Net Control, except for emergency traffic. My name is [NAME], my callsign is [CALLSIGN], and stations unable to pass traffic over the repeater may contact me at [OPTIONAL PHONE NUMBER].

We will pause for emergency or priority traffic. Any station with emergency or priority traffic, please call now.
